

## Groundwater Extraction/Flow Meter Reporting Form – Period #2

### San Antonio Basin Groundwater Sustainability Agency

**Due by May 1, 2027**

This form must be completed for each flow meter installed in the San Antonio Creek Valley Groundwater Basin on all non-de minimis production (> 2AFY) wells. Monthly readings are required to occur within the first 5 days of each month. A fillable PDF is available at [sanantoniobasingsa.org/active-wells](http://sanantoniobasingsa.org/active-wells). For ease of reporting, Owners/operators of multiple wells may instead use the Excel version available at the same link.

Please return completed form(s) to the San Antonio Basin Groundwater Sustainability Agency (“SABGSA”) via email to [admin@sanantoniobasingsa.org](mailto:admin@sanantoniobasingsa.org) or by mail to P.O. Box 196, Solvang, CA 93464.
