

Groundwater Extraction/Flow Meter Reporting Form – Period #2

San Antonio Basin Groundwater Sustainability Agency

Due by May 1, 2027

This form must be completed for each flow meter installed in the San Antonio Creek Valley Groundwater Basin on all non-de minimis production (> 2AFY) wells. Monthly readings are required to occur within the first 5 days of each month. A fillable PDF is available at sanantoniobasingsa.org/active-wells. For ease of reporting, Owners/operators of multiple wells may instead use the Excel version available at the same link.

Please return completed form(s) to the San Antonio Basin Groundwater Sustainability Agency (“SABGSA”) via email to admin@sanantoniobasingsa.org or by mail to P.O. Box 196, Solvang, CA 93464.

1. Landowner and Well Operator Information

Property Owner Information

Business/Ranch Name: _____ SABGSA Number: _____

Landowner Name: _____ Email: _____

Mailing Address: _____

Well Operator Information (if different than above):

Contact Name: _____ Email: _____

Business Name: _____

2. Well and Flow Meter Information

Assessor’s Parcel No. (APN): _____

Well Name/Number (your internal Well ID, if applicable): _____

Geographical Coordinates for Well (decimal degree): [Instructions to find coordinates](#).

Latitude: _____ Longitude: _____

Flow Meter Make and Model: _____ Serial Number: _____

3. Flow Meter Readings and Measurement Data

Flow meter readings must be taken within the first five (5) days of each month, even if no extraction occurs that month.

Reporting Period #1 (October 2026 – March 2027)	Totalizing Flow Measurement (listed on face)	Flow Measurement Unit (Gallons per Min, Cubic Feet per Sec., etc.)	Notes/Comments
October 2026			
November 2026			
December 2026			
January 2027			
February 2027			
March 2027			

The SABGSA reserves the right to request supporting documentation including, but not limited to, proof of flow meter accuracy, photographs, etc.
